

EPA and MassDEP Dewatering and Remediation General Permit Workshop Fall 2023

Instructor Bios

Shauna Little, Water Division, US EPA, Region 1

Ms. Little is a Physical Scientist in the EPA Region 1 Water Division since 2011. She is a senior permit specialist in the Water Permits Branch, which implements the National Pollutant Discharge Elimination System (NPDES) program in the six New England states. She has subject matter expertise in industrial stormwater, potable water treatment, and dewatering and remediation discharges. Ms. Little received a B.S. in Geology and an M.S. in Environmental Studies.

Cathy Coniaris, Bureau of Water Resources, MassDEP

Ms. Coniaris is an environmental analyst in MassDEP's Bureau of Water Resources where she has served since 2001. Previously she worked at the New England Interstate Water Pollution Control Commission, and the New England Aquarium. She holds a B.S. in Biology and Geology from the University of Rochester.
