
Job Description: Senior Principal Engineer or Scientist

At Alliance Environmental Group / An F.W. Webb Company, a Senior Principal Engineer, or Scientist, has strong technical skills coupled with stellar interpersonal skills, highly effective verbal and written communication plus senior level presentation and negotiation skills, a willingness to work non-traditional hours, and a passionate drive and commitment to be part of a team to construct a new consulting paradigm. If you love to create, provide superior customer service, are responsive and resourceful, and are looking to diversify your current knowledge base, we have a place for you in our organization.

Key Responsibilities Include:

- Proposal preparation, including estimating work scope and price, preparing presentations, and managing client relations to ensure complete satisfaction.
- Maintain regulatory compliance for clients across the F.W. Webb footprint.
- Advocate for our clients with state and federal regulators.
- Complete site assessments, develop and implement remediation plans, and draft regulatory reports.
- Willingness to travel across the F.W. Webb footprint.
- Provide quality peer reviews.
- Mentor junior colleagues.
- Maintain a high profile externally and through membership/ attendance in science industry functions, and continually increasing contact base.

Other Skills/Abilities:

- Accessibility after-hours for 24/7 emergency response on a scheduled rotation with peers.
- Result driven and highly energetic.
- Initiative for business development and client service.
- Education & Experience:
 - Bachelors or Master's degree in engineering or a science-related field.
 - Professional licensing required (LSP, LEP, PE, CHMM, CSP, and/or CIH).
 - 15+ years of related consulting experience.
- OSHA 40-Hour HAZWOPER Training. Current 8-Hour refresher preferred.
- Highly organized and self-motivated.

Employment is contingent up the results of pre-employment drug testing and ability to obtain a DOT Medical Card.

To apply, please send resume and letter of interest to bethany.mong@fwwebb.com.
