ENVIRONMENTAL CONSULTANT – LICENSED SITE PROFESSIONAL

Axiom Partners, Inc. currently has an opening for an Environmental Professional with 5 to 10 years' experience in the environmental consulting field. We are looking for a self-starter to help grow and market environmental/MCP work for Axiom Partners, Inc.

The ideal candidate will:

- Be familiar with Massachusetts and New Hampshire Environmental Regulations;
- Experienced coordinating subcontractors and junior staff in conducting field investigations, site remediation projects, etc.;
- Experienced writing technical reports;
- Experienced conducting and preparing reports for Phase I Environmental Site Assessments in accordance with ASTM e 1527-13;
- Experience designing and/or reviewing remedial designs;
- Experience working with MA DEP MCP group;
- Ability to provide LSP-of-record for remediation sites;
- Have good communication skills and attention to detail;
- Be proficient with Microsoft Word, Excel;
- Have good problem-solving skills and present valid conclusions; and
- Capable of working independently.

LSP license required. PE and/or PG desirable.

Responsibilities will include:

- Managing and developing junior staff
- Preparing proposals
- Managing projects and budgets
- Preparing and finalizing deliverables (MCP reports, Phase I ESAs, etc.)
- Business Development and Client Retention

Axiom Partners, Inc. offers a competitive salary package based on experience and qualifications. Available benefits include health insurance, disability/life insurance, vacation, holiday and sick time allowance, travel reimbursement, 401(k) program and more.

Axiom Partners, Inc. provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, disability or genetics.

Please forward resume and salary requirements to info@axiomenv.com.
