

Innovative Engineering Solutions, Inc. (IESI) is seeking a Project Scientist/Engineer/Manager to join our site investigation and remediation practice in the Boston area. We are looking for self-motivated individuals with investigation and remediation experience to support complex remediation projects.

What the work includes:

- Conducting field investigations, data collection, and site reconnaissance tasks, including sampling of a variety of environmental media.
- Assisting with operation, maintenance, and monitoring (OMM) activities for a variety of treatment systems.
- Managing projects and executing daily project activities including field tasks.
- Preparing and reviewing reports under the Massachusetts Contingency Plan (MCP) and other state remedial programs.
- Assisting with remedial design for complex remediation projects.
- Construction oversight of environmental remediation projects.
- Project management and client communications.

What you will be bringing to IESI:

- Bachelor's Degree in Civil/Environmental/Mechanical Engineering Geology, Environmental Science, or other technical degree (Master's Degree is a plus).
- Experience at consulting engineering firms and fundamental knowledge of applicable laws and regulations in Massachusetts (experience in other states is a plus).
- Experience with MS Office, AutoCAD and Adobe Acrobat.
- Self-starter, able to complete tasks with minimal supervision and direction.
- Demonstrated professional judgment, consistency, strong attention to detail, and commitment to producing high-quality work products.
- Ability to perform independent analysis and problem solving.
- Strong organizational skills.
- Strong oral and written communication skills.
- Completed 40-hour OSHA HAZWOPER training.
- Strong understanding of workplace safety precautions.
- Professional certification (e.g., Professional Engineer, Licensed Site Professional, Licensed Environmental Professional, Professional Geologist, Wastewater Treatment Plant Operator, etc.) strongly preferred.

What IESI offers

- Competitive salary with annual performance bonuses.
- Generous retirement plan (SEP-IRA funded by the company).
- Medical and Dental Insurance (Blue Cross Blue Shield).
- Short-term and long-term disability insurance.
- Flexible workplace to support work life balance.
- Professional development and technical training.
- Professional society involvement and sponsorship.

If interested, we would love to hear from you! Please send resumes to info@iesionline.com.
