LSPA May 2022 Western MA Membership Meeting *Updates on BWSC's Natural Resource Damages Program*

SPEAKER BIOGRAPHY

Michelle Craddock is the Natural Resource Damages Coordinator for the Massachusetts Department of Environmental Protection, where she works with teams of technical, policy, and legal experts to assess injuries to natural resources stemming from oil spills or releases of hazardous materials and substances. She works with the public and others to plan and implement restoration projects using recovered monetary damages to restore injured natural resources.
