## **January 2024 Membership Meeting**

### **DEXSORB® PFAS Treatment Technology Overview and Case Studies**

*Wednesday, January 17, 2024 from 3:45pm – 5:00pm via Zoom Webinar*

#### **Presenter Biographies**

##### **Frank Cassou:**

Frank Cassou is CEO of Cyclopure, Inc. - Chicago IL. Mr. Cassou is an experienced executive in the development and commercialization of new technologies. He has worked previously with telecom and life sciences companies in Silicon Valley, San Diego, and New York City. Attracted to the issue of water quality and its role in public health, Mr. Cassou started Cyclopure in 2016, where he leads the company's operations. He earned a B.S. in Economics from University of California, Berkeley, and a J.D. from the Berkeley School of Law.
