

Thank You to the LSPA Environmental Symposium 2025 Course Instructors!

BWSC PFAS Updates and MCP Considerations

- [John Ziegler](#), Statewide PFAS Coordinator, MassDEP's BWSC, Division of Policy & Program Development

New England Regional Evaluation of Background PFAS Levels in Shallow Soils

- [Lisa Campe](#), MPH, LSP, Senior Vice President at Woodard & Curran

Characterization and Remediation of PCB-Contaminated Sites

- [Elizabeth Denly](#), PFAS Initiative Leader & Chemistry Director, TRC Companies
- [Steve Knollmeyer](#), New England Sales Manager, Pace
- [Kimberly N. Tisa](#), PCB Subject Matter Expert, TRC Companies

PFAS by Method 1633: A New CAM Protocol

- [Stephen Somerville](#), Technical Director PFAS, Pace
- [Elizabeth Denly](#), PFAS Initiative Leader & Chemistry Director, TRC
- [Natalie Johnson](#), Chief of Technical Support and Site Discovery Section, MassDEP's BWSC

POET Systems in Residential Environments

- [Brooke Paulsen](#), Senior Project Manager, Verdantas

A Study and Evaluation of PFAS Point of Entry Treatment Systems (POETS) in Massachusetts

- [John J. Fitzgerald](#), P.E., Environmental Engineer, MassDEP

PFAS Remediation Roundtable

- [AnnieLu DeWitt](#), BS, Senior Director, Total PFAS Solution Team, Clean Harbors
- [Eric Drugotch](#), BS, Business Development, Revive Environmental
- [Dan Gaffney](#), MS, Founder, SafeWell
- [Matt Geary](#), BS, Technical Sales Manager, Environmental Products, CETCO
- [Steve Woodard](#), Ph.D., President and Chief Technology Officer, ECT2
- [Elliott Maker](#), MS, EIT, Northeast District Manager, Regenesis
- [Sue Bator](#), LSP, Principal, GeoEngineers USA, PC

Planning for Climate Change: CSM, Risk Assessment, Remediation, AULs

- [Lisa McIntosh](#), DABT, Principal Toxicologist/Risk Assessor, Terraphase
- [Tracy Roth](#), PG, Principal Hydrogeologist, Terraphase
- [Duff Collins](#), LSP, Executive Vice President, Woodard & Curran

Investigation, CSM Development and Remediation of Groundwater Plumes in Fractured Bedrock

- [Chris Martin](#), LG (ME), Senior Remediation Geologist, Geosyntec Consultants
- [Dariusz Chlebica](#), PG (NH), LSP, Senior Geologist, Geosyntec Consultants

April 2025 Membership Meeting: Mixed Use Development on a PCB and Solvent Contaminated Site

- [Ileen Gladstone](#), P.E., LSP, LEED AP, Senior Vice President, GEI Consultants
